WELCOME TO TEAM NDA

NDA has something for everyone
& we welcome you to our school!

**Our mission is to inspire creativity,
confidence and perseverance in every
student, both in and out of the studio.**

We provide classes for students
ages 18 months to 18 years old
with all levels of experience.

NorthPointe Dance Academy is a place for
children to grow and learn in dance, become
confident in their own abilities and use these
abilities to achieve their life dreams.

Along the way, they will be a part of
something very unique and special – learning
how to work as a team and feeling support
and security as part of a loving community.

We strive to bring out the best in our dancers
by stimulating their minds, challenging their
abilities and lifting them up with
positive reinforcement.
