WELCOME TO TEAM NDA

NDA has something for everyone
& we welcome you to our school!

Our mission is to inspire creativity, confidence and perseverance in every student, both in and out of the studio.

We provide classes for students
ages 18 months to 18 years old
with all levels of experience.

NorthPointe Dance Academy is a place for children to grow and learn in dance, become confident in their own abilities and use these abilities to achieve their life dreams.

Along the way, they will be a part of something very unique and special – learning how to work as a team and feeling support and security as part of a loving community.

We strive to bring out the best in our dancers by stimulating their minds, challenging their abilities and lifting them up with positive reinforcement.
