## WELCOME TO TEAM NDA

NDA has something for everyone  
& we welcome you to our school!

**Our mission is to inspire creativity,  
confidence and perseverance in every  
student, both in and out of the studio.**

We provide classes for students  
ages 18 months to 18 years old  
with all levels of experience.

NorthPointe Dance Academy is a place for children to grow and learn in dance, become confident in their own abilities and use these abilities to achieve their life dreams.

Along the way, they will be a part of something very unique and special – learning how to work as a team and feeling support and security as part of a loving community.

We strive to bring out the best in our dancers by stimulating their minds, challenging their abilities and lifting them up with positive reinforcement.
